Education

Basic studies: Graduate of the Department of History - Archeology (History) of the School of Philosophy of the National and Kapodistrian University of Athens (1992).

PhD in Modern History from the Department of History of the Ionian University (June 2003). Thesis title: "Agricultural Education and Development. The contribution of the Agricultural University of Athens». Grade: Excellent

Professional experience

2005-To date: Director of the Documentation Center for the History of Greek Agriculture, which is attached to the Department of Agricultural Economics and Development of the Agricultural University of Athens.

2005-to date: Key member of the founding and organizing team of the Agricultural Museum of the Agricultural University of Athens.

1996-2005: Head of the Historical Archive of the Agricultural University of Athens since its establishment in 1996.

2005-2007: Alternate member of the Board of the General Archives of Greece (GAK).

1996-to date: Sorting and Indexing of a number any historical archives: Historical Archive of the Agricultural University of Athens; Archival Collection of the Rural Party of Greece (AKE); Stathis Damianakos Papers; Petros Kanaginis Papers

1998-to date: In charge of the internship of students of Department of Archives, Library Science and Museology of the Ionian University at the Historical Archive and Documentation Center of the history of Greek Agriculture at the Agricultural University of Athens.

Research Experience

1996-2000: Research Project *Creation and Computerization of Archives at the Agricultural University of Athens*, funded under the scheme *Second Community*

Support Framework (CSF). (Special Research Funds Account of the Agricultural University of Athens, PI Prof. Michael Loukas).

2009-2010: Research Project *The agricultural settlement of refugees in Greece after 1922 and the role of agronomists* (project code: 20.0011), approved by the Research Committee and prepared on behalf of the G.P.A. (Principal Investigator and Coordinator Professor Andreas Karamanos).

2009-2011: Scientific Director of the Research Program sponsored by the Mariolopoulos-Kanaginis Institute of Environmental Sciences, aimed at classifying the Archive and the writing of a scientific monograph on the life and work of agronomist Petros Kanaginis (1880-1947).

2013-2015: Digital Convergence Program for the collection, organization, documentation and digitization of the archival material (old books, magazines and photographs) of the Collection of the Documentation Center of the Agricultural Museum. The action is being carried out in the framework of the project entitled "Organization and Implementation of Digital Repository at the Agricultural University (GP) funded by the NSRF and aiming to digitize a set of research, educational and cultural material in two and three dimensions. Responsible D. Panagiotopoulos.

2013-2019: Research Program funded by the Mariolopoulos-Kanaginis Institute of Environmental Sciences, which deals with the classification of the archive and the writing of a scientific monograph on the life and work of Professor of Meteorology Elias Mariolopoulos Member of the Academy of Athens. Scientific Director of the project D. Panagiotopoulos.

2014: Member of the Study Group of the Research Program selected for funding by the Latsis Foundation for the year 2014, entitled: *Agronomic science, agricultural technology and modernization of Greek agriculture through the study of the collections of the Agricultural Museum (1920-1960)*. The study was one of 19 selected for funding (out of 946 submitted) and lasted for 12 months.

2019: Participation in Project 25 "Development of content - training material for new branches of teachers and internal practice evaluation" of the Act "Training of teachers for the use and application of digital technologies in teaching practice (TRAINING B 'LEVEL)" with OPS code: 5000065 funded by the Institute of Educational Policy of the Greek Ministry of Education and Religious Affairs.

2021-2023: Research Program funded by the Mariolopoulos-Kanaginis Institute of Environmental Sciences, aimed at classifying the archive and the writing of a scientific monograph on the life and work of Professor of Astronomy Ioannis Xanthakis Member of the Academy of Athens. Scientific Director of the project D. Panagiotopoulos.

2021-2023: Member of the Advisory Committee on the postdoctoral research of Juan Carmona-Zabala entitled: "Value Chain Analysis of Tobacco in Greece (1949-1981)" (Institute for Mediterranean Studies - Foundation for Research and Technology Hellas (FORTH)).

Teaching experience

2015 to date: Assignment of compulsory course "History of Rural World" in the second semester of the Department of Agricultural Economics and Rural Development.

2015 to date: Assignment of Elective Course "History of Agricultural Science" in the third semester of the Department of Animal Science and Aquaculture.

2019 to date: Assignment of Elective Course "History of Agricultural Science" in the seventh semester of the Department of Food Science and Human Nutrition.

2015 to date: Assignment of the Compulsory Course "Agricultural Sociology" in the 2nd and 6th semesters of the Department of Agricultural Economics and Rural Development.

2015 to date: Assignment of Elective Course "Agricultural Sociology" in the 6th semester of studies of the Departments of Plant Science and Animal Science and Aquaculture.

In all courses I have the sole responsibility for instructional and assessment purposes.

- Also, as part of the assignment of these courses, I undertake the teaching, supervision and evaluation of the work of Erasmus students registered in the aforementioned courses.

2009 to date: Teaching a course "Greek State and Society in the 19th and 20th Century" to MSc. Students of the programme "Historical Research, Didactics and New Technologies" of the Department of History of the Ionian University (directed by Professor Costas Angelakos). The course provides for a written assignment for students, the evaluation of which is taken into account in their final grade. In recent years, the teaching of the course and the examination of the students' work have also been done remotely using advanced telematics methods.

Academic Advising

1998-to date: Supervision, coordination and mentoring of undergraduate and postgraduate theses of the Department of Agricultural Economics and Rural Development of the Agricultural University of Athens.

2009-to date: Supervision, coordination and guidance postgraduate theses of the post-graduate programme "Historical Research, Teaching and New Technologies" of the Ionian University.

2020: Supervision (jointly with Associate Professor Paul Karanikolas) of post-doctoral research of IKY scholar Juan Carmona - Zabala on: The value chain of Greek tobacco in the context of economic miracle and EU accession (1949-1981) .

Research interests

Research interests include **1.** the history and sociology of Greek agriculture and agricultural development in the 19th and 20th centuries, as well as the political and social organization of the rural area. **2.** the development and evolution of higher education and scientific and academic elites in the 19th and 20th centuries. **3.** the political, social and economic history of the nineteenth and twentieth centuries in Greece and Europe.
